Eric LeGrand Founder, Team LeGrand

He is a source of inspiration, hope and perseverance for so many. A standout high school football player, LeGrand went on to play for Rutgers University. On October 16, 2010, LeGrand sustained a spinal cord injury at his C3 and C4 vertebrae during a game at MetLife Stadium. While the initial prognosis was grim, Eric demonstrated his titan strength by shattering all expectations for his recovery and rehabilitation. However recovery was not enough.

Eric has harnessed the national spotlight he attracted from his injury to give back to the community and inspire those living with and impacted by paralysis to bELieve.

From becoming an author, to a much sought after motivational speaker, Eric has given a voice to the paralysis community to mobilize support for critical initiatives, policies and cutting edge research.

Eric was honored in September 2013 with the first number (52) retired in Rutgers 144-year football history. In May 2014, Eric graduated from Rutgers University where he was an honored speaker at the commencement ceremony. He has been recognized by Sports Illustrated with "The Best Moment of 2011" and received the Jimmy V Award for Perseverance at the ESPY Awards.

He has shown the world that obstacles can be transformed into opportunities. To Eric, it is not a matter of if he walks again, but rather, when.

About Team LeGrand:

Team LeGrand was launched in 2013 to carry forward the legacy of the late Christopher Reeve. Team LeGrand has rallied its members with the mission: To help individuals living with spinal cord injury and their families by supporting quality of life initiatives and emerging therapies that will get us to the end zone - cures for SCI.

About Chris Carlin:

Once again we welcome back our Master of Ceremonies for the evening, Chris Carlin. Chris is the play-by-play voice for Rutgers Football and the co-host of "Carlin & Reese" on Philadelphia Sportsradio 94WIP.

Jason R. Newcomb ('93) and Ronald J. Garutti Jr. ('95) are alumni, avid fans and ardent supporters of Rutgers University and Athletics. Witnessing Eric's injury on October 16, 2010 deeply affected them and their hope is to help get the message out about Eric's foundation, Team LeGrand.

All expenses associated with the fifth annual "An Evening with Eric LeGrand" are being funded by Jason and Ron's firm, Newroads Financial Group. As a result, **100%** of your donation to Team LeGrand will go directly to finding a cure for SCI (Spinal Cord Injuries).

At Newroads Financial Group, our team works with Executives, Entrepreneurs and those going through life's transitions, who we've learned, probably manage the majority of their personal financial lives effectively. However, through the depth and detail of the Newroads process, we uncover and optimize the remaining portion that is either not being done correctly, not being done at all, or not being managed as efficiently as it could be - all of which can make a tremendous difference to the long-term success of our clients' financial lives. We form lifelong relationships with our clients. The client supplies the personal information, a little time, and a commitment to make decisions. We determine the problems, develop the strategies, and assist in plan implementation. After that, we are there to help adjust, update, and manage the plan to assist our clients in achieving their desired goals and objectives. We commit to our clients and to their financial welfare.

Separate from the financial plan and our role as financial planner, we may recommend the purchase of specific investment or insurance products or accounts. These product recommendations are not part of the financial plan and you are under no obligation to follow them.
